

Executive Summary

ScreenBox Pte Ltd has established itself as a main player in the TV-making industry in Singapore. Started in 1999, ScreenBox has grown to specialise in producing quality information, current affairs and documentary programmes for television.

Over 8 years of operations, ScreenBox has produced over 45 television series for Channel News Asia, MediaCorp TV12 Pte Ltd and Media Development Authority, MDA, (for both local and regional content) - 5 of which won international awards at the 34th & 35th Annual U.S. Film & Video Festival in Year 2000/2001 and Phoenix Awards. In addition, 4 of ScreenBox TV Programmes have also won local awards for Best Documentary/Information Category - affirming the sound foundation of our productions.
